Anyone can enroll in a plan for 2018 during the next open enrollment period:
Wednesday, November 1, 2017 to Friday, December 15, 2017

How to help keep Forsyth covered:

- Tell everyone you know that the ACA is still the law, and consumers can still get financial help with health insurance!
- Sit down with a Navigator to brainstorm what your site can do.
- Display informational materials.
- Incorporate information into your work with clients.
- Tell your clients how to make an appointment.
- Make appointments for your clients when appropriate.
- Embed the Connector scheduling system on your website.
- Host a Navigator to do enrollment appointments at your site.
- Invite a Navigator to participate in your education or outreach event.
- Have a Navigator train your staff on making referrals.
- Have a Navigator host an event at your site.
- Volunteer by becoming a Navigator through Legal Aid.

Help your clients make an appointment with a Navigator through our online scheduling system:

Three Key ACA Facts to Repeat & Remember:

- Financial assistance is available – 9 in 10 North Carolinians who enrolled in a plan received financial assistance to help pay their premiums
- Free, in-person assistance is available to help with enrolling.
- Open Enrollment 5 is approaching – anyone can enroll in a plan between November 1st and December 15th, 2018
